

Bid For Good.

Donate an item and put your brand in front of a room full of people who showed up to give back.

SILENT AUCTION

Support the cause. Donate an item.

The Outlaws For A Cause silent auction raises funds directly for the Lowcountry Autism Foundation. Every item donated adds to the impact — and every donor gets real visibility in front of a room full of people who came out to make a difference.

We welcome donations from businesses, individuals, and organizations of all sizes. Items valued at \$200+ preferred, but any donation for the cause is welcome.
